Your Fullwell Action Team

■ I am very pleased to recommend Sk Zakir Hossain, Denys Phillips and Vicky Foster to you as the Conservative candidates for Fullwell Ward in next May's 2022 Local Election. I know them to be hard working and committed to serving our Community.

As always if you have any issues relating to the Mayor of London please do not hesitate to contact me

Keith Prince AM, Assembly Member
Havering and Redbridge

✉ keith.prince@london.gov.uk

Vicky Foster

■ I've lived in Redbridge most of my adult life and I am the mother of a son at secondary school. I enjoy Yoga and work as a Publicity Administrator in a senior school. I've also been a carer for 14 years so am fully aware of the necessity for efficient, caring Social Services.

My main aim if elected is to keep our green spaces and to stop the over development in the borough.

I'd like to see a Council that residents are proud of one that is willing to listen to and respond to resident's needs. It is vital that the decisions made today benefit residents now and future generations to come.

Sk Zakir Hossain

■ I'm an active member of the local community and was elected as a school Governor in a Primary School in 2017. As a father of two young children I am enthusiastic about education and the opportunities it gives young people to develop confidence, communication and collaboration; assets that will continue to develop as they grow. As a self-employed businessman I am fully aware of the value of education and how the skills I learnt helped me to succeed in starting and growing my own business. Our schools in Redbridge are excellent and if elected I want to build on that strength to drive forward extracurricular learning opportunities and skills training by working with local businesses, the local community and government.

Denys Phillips

■ I am a wife, mother and grandmother with a passion to be involved and who has lived in Fullwell Ward all my life. I would like to see pride return to the area, where people know and help their neighbours and have a sense of community.

The need to stop our green space being destroyed by high rise flats, to preserve our parks and gardens for our children, for the environment and for the wildlife is what is important to me.

Most importantly it is you, the Fullwell residents that need to be listened to and I promise to do that and hopefully we can once again have a council to be proud of.

GREEN BELT UNDER THREAT

■ Our Green Belt and Green Space is under threat. Unlike Labour who have pledged to review the Green Belt policy after the May 2022 local elections, your Redbridge Conservatives have pledged to protect it until at least 2030.

It is time to show the current Labour Administration that using our green land to build on is not acceptable. We appreciate homes are needed but this can and must be achieved by the regeneration of existing derelict buildings and brownfield sites together with proper consultations with residents. We must also take into consideration that our green space helps to prevent flooding. The most important thing is protecting the environment for future generations. Fullwell needs a proper voice, and we need your support

FLY-TIPPING

■ What happened to caring about how your neighbourhood looks? With the Council's rollout of the wheelie bin scheme, residents' have been restricted to how much rubbish they can throw and recycle.

We are charged for extra bulky waste collections which doesn't include builders waste either. We visited Peel Place recently where we were greeted by shocking fly tipped rubbish left in the road

blocking 5 residents' access to their road. We are pleased to have been there canvassing to see and report the fly tipping to ensure it's quick removal.

The Council say they have installed CCTV cameras for anti-social behaviour, we believe, those cameras could also be used to deal with this crime. Prosecutions must follow.

RESIDENTS DEMAND POLICE DESK RE-OPENS

■ After many weeks of calling on local households your three Conservative candidates, Denys Phillips, Vicky Foster and SK Zakir Hossain, have been told by residents that they want the front desk of Barkingside Police Station re-opened.

At this time residents have no alternative but to report to the Police online. However, we believe that

there is a real need for residents to have the option of face to face meetings with the police.

The closure of the front desk means residents are unable to discuss concerns directly with officers or to get to know and trust their local officers this is unacceptable.

Please support us in getting a police front desk re-opened.
